1. Grant of authorization

The licensor authorizes the licensee to operate and sell all products of the licensor's company (foreign trade).

2. Obligations

Both parties agree that during the validity period of the agreement, the licensor shall provide the licensee with the best foreign trade price policy. The product price should remain stable and not increase arbitrarily.

3. Confidentiality

Both parties agree to keep confidential all information and materials disclosed during the course of this Contract that are designated as confidential.

4. Responsibility

If either party violates the agreement by adjusting prices without authorization or taking other actions that harm the interests of the other party, the aggrieved party has the right to suspend or terminate the contract, and the defaulting party will bear corresponding legal and compensation responsibilities (at least five times the profit of the order).

5. Term of authorization

The authorization granted under this agreement shall take effect from the effective date and shall continue for 5 years.
